Letter of commitment

We wish to confirm that it is our intention to be a part of the ULearning Skillnet and commit the necessary financial resources towards the network's cash matching (the necessary financial resources in this instance refers to the annual Membership Fee of €150.00) which may be partly used to fund training for the unemployed.

We also commit to provide financial support for student fees, release the relevant staff of our organisation to participate in the training programmes organised by the network, participate in meetings, discussion forums, emails etc to enable network to address future needs , where possible, or send representative, be listed as a ULearning Member Company on our website, participate in the annual evaluation of programmes and satisfaction survey and cooperate with the ULearning Skillnets Network Manager in developing and delivering programmes our company has participants attending.
